

# Our Ocean Treasure:

## Exploring Seaweeds of Maine and NH

**Presented by Dr. Gabby Bradt**

**New Hampshire Sea Grant & UNH Cooperative Extension**

New England is home to some of the world's most beautiful and versatile seaweeds. Learn about the biology, diversity and ecology of our native seaweeds as well as Dr. Bradt's current efforts to bring awareness of the nutritional benefits of this "super food".

**Tuesday, March 15**

**Talk begins at 6:30 PM - Come early! Starting at 6 PM, enjoy free pizza and explore our exhibits!**

**Blue Ocean Discovery Center**

**170 Ocean Blvd.**

**Hampton Beach, NH**

**(603) 431-0260 [www.blueoceansociety.org](http://www.blueoceansociety.org)**
